**Nurturing
Better Beginnings**

Wembley Park

At Canopy we are on a mission to disrupt the landscape of childcare provision, giving children the power to change the world in their own unique ways.

Nothing about your child is average, they are unique, special and individual and we will support and encourage them to be the best version of themselves.

Every moment is an opportunity for your child to experience or encounter something magical which we encourage by creating environments and opportunities that will inspire their awe and wonder.

We are passionate about giving your child the best possible beginnings and helping to bring more harmony into your busy lives by offering a supportive, nurturing day care service that's tailored to your needs.

Our Habitat

Canopy Wembley Park is a beautifully designed children's nursery located on the ground floor of the Canada Gardens Building in the heart of Wembley Park, London's most exciting new cultural neighbourhood.

The nursery has been designed to create a unique child-orientated habitat which invites curiosity and exploration. Indoor and outdoor areas flow, encouraging discovery and play outside:

The Canopy Children's Nursery

We welcome children from birth until they start school.

In the nursery we have three distinct environments to enable age-appropriate development, together with free-flow access to our outdoor area:

- Buds: Babies from birth to two years old
- Blossom: Toddlers from two to three years old
- Acorns: Preschool children from three to four years old

Curriculum

At Canopy we look at the requirements of the Early Years Foundation Stage through the eyes of children to develop a truly engaging curriculum. It is a blended approach based on aspects of the Reggio Emilia ethos which views young children as individuals who are curious about their world and have the powerful potential to learn from all that surrounds them. Your child's specific interests and needs will influence how our curriculum is delivered, enabling them to follow their passions and discover their powers.

Partnership

We will involve you, listen to you and communicate openly and honestly with you so that we become your trusted partners in ensuring your child reaches their full potential.

Healthy Routines

During their day at Canopy, your child will sit down with other children for freshly prepared organic meals and snacks, relax in a quiet, comfortable environment to rest/sleep and will learn new ways to challenge their physical development.

Fees

Fees are fully inclusive of meals, drinks and snacks. We ask parents to supply nappies and formula/breast milk only.

Security

The safety and security of your child is always our number one priority and is a rigorously enforced via state-of-the security systems.

Inclusivity

At Canopy we pride ourselves on being fully inclusive and actively celebrate diversity. We are experienced at providing personalised routines for children with specialist needs. We always start with the child, get to know them and help them feel settled and comfortable and then we work with parents/carers and external advisors to create an individual plan to help your child thrive.

**‘Play is the
highest expression
of human development
in childhood for it alone
is the free expression of
what is in a child’s soul’**

Thank you for your interest in Canopy Wembley Park

Choosing the right nursery for your child is a big decision and we are delighted that you have chosen to find out more about us.

We hope that this prospectus gives you a flavour of what you can expect from our nursery but it is really only the tip of the iceberg in terms of how we operate and what we can provide for your child.

We are committed to building a thriving 'home from home' nursery which becomes part of the heart and soul of the Wembley Park community.

We would now like to invite you to come and meet us at the nursery so that we can get to know each other a bit better. We can discuss your childcare needs in more detail whilst we show you and your child around and we can answer any questions that you may have.

It is never too early to start this process as well-respected nurseries tend to develop waiting lists and we want to be in a position to accept your child's registration if you choose us.

We look forward to meeting you and your child soon if you choose us as your trusted childcare partners.
