# Welcome to Canopy

At Canopy we are on a mission to disrupt the landscape of childcare provision, giving children the power to change the world in their own unique ways.

Nothing about your child is average, they are unique, special and individual and we will support and encourage them to be the best version of themselves.

Every moment is an opportunity for your child to experience or encounter something magical which we encourage by creating environments and opportunities that will inspire their awe and wonder.

We are passionate about giving your child the best possible beginnings and helping to bring more harmony into your busy lives by offering a supportive, nurturing day care service that's tailored to your needs.

## Curriculum

At Canopy we look at the requirements of the Early Years Foundation Stage through the eyes of children to develop a truly engaging curriculum called The Canopy Code. It is a blended approach based on aspects of the Reggio Emilia ethos which views young children as individuals who are curious about their world and have the powerful potential to learn from all that surrounds them. Curious Explorers, Confident Communicators, Independent Learners and Inquisitive Thinkers are the life skills, attitudes and behaviours we nurture in our children. Your child's specific interests and needs will influence how our curriculum is delivered, enabling them to follow their passions and discover their powers.

## Partnership

We will involve you, listen to you and communicate openly and honestly with you so that we become your trusted partners in ensuring your child reaches their full potential.

## Healthy Routines

During their day at Canopy, your child will sit down with other children for freshly prepared organic meals and snacks, relax in a quiet, comfortable environment to rest/sleep and will learn new ways to challenge their physical development.

## Fees

Fees are fully inclusive of meals, drinks and snacks. We ask parents to supply nappies and formula/breast milk only.

## Early Education Funding

We are able to offer funded places for children from 9 months to 4 years subject to eligibility criteria. There is a service fee for our premium offering of extended opening hours, high quality meals and snacks together with extra curricular activities.

## Security

The safety and security of your child is always our number one priority and is rigorously enforced via state-of-the art security systems.

## Inclusivity

At Canopy we pride ourselves on being fully inclusive and actively celebrate diversity. We are experienced at providing personalised routines for children with specialist needs. We always start with the child, get to know them and help them feel settled and comfortable and then we work with parents/carers and external advisors to create an individual plan to help your child thrive.

**‘Play is the highest expression of human development in childhood for it alone is the free expression of what is in a child’s soul’**

# Why Canopy Bounds Green?

## Our Community:

We believe that at Canopy Bounds Green, we are more than just a nursery—we are a family. Our community-centered approach celebrates diversity and inclusivity, ensuring every child and family feels welcomed, valued, and part of something special.

We are delighted to offer a dedicated parent and community room 'The Aviary' which will be used to host a variety of events such as the 'Canopy Cafe'; a regular coffee session where parents and carers can meet, share and connect. Canopy looks forward to welcoming a host of additional providers into The Aviary to extend the wonderful learning opportunities we offer your children.

We foster a strong sense of belonging, encouraging social interactions and collaboration, which helps children build essential life skills while forming lifelong friendships. For families searching for a nursery with a warm, engaging, and inclusive environment where your child can thrive, look no further.

## Fresh, Organic Meals & Snacks:

Canopy Bounds Green has a dedicated chef developing menus which will best suit your children to enjoy nutritious and diverse foods and flavours.

## Flexibility:

We understand the many challenges facing today's parents as they juggle demands on their time. We offer flexible sessions to suit each families' individual needs.

## Health & Wellbeing:

Time spent in nature is so beneficial for young children and we promote outdoor learning and encourage children to be active and engaged with their friends outside. At the same time, quiet, comfortable areas are available so children can take time out if they wish. Canopy has a dedicated Home Economics room, The Hive, where children will learn important life skills such as preparing food, experiencing the pleasure of cooking foods from different cultures with a wealth of extended learning around where food comes from.

## Natural Environment:

The natural environment extends inside the nursery as plants and natural resources abound to maintain the fresh, calm atmosphere of a wooded glade. Canopy Bounds Green has a large, thoughtfully designed outdoor play space with dedicated areas for gross motor skills, exploratory play through mud kitchens and sand pits, and covered play areas for creativity and a reading nook. The Nest has a bespoke garden for our youngest babies leading directly from their room; creating a wonderful calm and safe oasis for outdoor exploration.

## Communication & Technology:

Whether you wish to know what your child has eaten, see what they have achieved, ask us a question or find out about the next nursery event, our nursery app enables us to communicate easily and effectively with each other.

## Our People:

At the heart of Canopy Bounds Green are Shane and Shella Popat, proud parents to two wonderful children. As passionate advocates for early childhood education, they bring a wealth of experience and dedication to the nursery. Shella, a qualified Early Years teacher, combines her expertise with a deep understanding of how young children learn and grow. Inspired by Canopy's mission, Shane and Shella are committed to creating a nurturing and stimulating space where children feel safe, valued, and ready to thrive.

"Our vision to create exceptional early childhood experiences. As parents, we have been where you are right now. We want to recreate those 'Old School' childhoods that we remember; a combination of influencing children's interests through The Canopy Code which views young children as Curious Explorers, Confident Communicators, Independent Learners and inquisitive thinkers. We encourage a love of the outdoors, and have an extensive garden that facilitates this. We understand the importance of creating a nurturing and enriching environment, and we are dedicated to ensuring every child flourishes in our Canopy family."
