# Welcome to Canopy

At Canopy we are on a mission to disrupt the landscape of childcare provision, giving children the power to change the world in their own unique ways.

Nothing about your child is average, they are unique, special and individual and we will support and encourage them to be the best version of themselves.

Every moment is an opportunity for your child to experience or encounter something magical which we encourage by creating environments and opportunities that will inspire their awe and wonder.

We are passionate about giving your child the best possible beginnings and helping to bring more harmony into your busy lives by offering a supportive, nurturing day care service that's tailored to your needs.

**Canopy Vine Lodge will be opening our doors in October 2025!**

# Our Habitat

Welcome to Canopy Vine Lodge – Where Little Explorers Grow Big Dreams

Nestled in the heart of Uxbridge High Street with a private car park, Canopy Vine Lodge is a vibrant and nurturing nursery where every child's journey begins with warmth, wonder, and inspiration.

Just like the canopy layer of the rainforest – alive with energy, growth, and discovery – our nursery is a place where curiosity is encouraged, confidence blossoms, and imaginations run wild.

At Canopy Vine Lodge, we believe in the power of play, movement, and mindfulness. Our extensive outdoor gardens and Tree Tops indoor adventure playground provide endless opportunities for physical development, discovery, and imaginative exploration. For quieter moments, children can retreat to The Cocoon — a calming sensory space designed to support wellbeing, emotional regulation, and a sense of peace during the day.

# Canopy Children's Nursery

Canopy Vine Lodge is a thoughtfully designed, modern nursery where children from birth to school age are supported to grow, play, and thrive. Each room has been carefully considered, with brand-new, age-appropriate furniture and resources that create warm, inspiring spaces tailored to every stage of development. It's a place where little ones feel safe, supported, and free to flourish.

## Curriculum

At Canopy we look at the requirements of the Early Years Foundation Stage through the eyes of children to develop a truly engaging curriculum called **The Canopy Code**. It is a blended approach based on aspects of the Reggio Emilia ethos which views young children as individuals who are curious about their world and have the powerful potential to learn from all that surrounds them. Curious Explorers, Confident Communicators, Independent Learners and Inquisitive Thinkers are the life skills, attitudes and behaviours we nurture in our children. Your child's specific interests and needs will influence how our curriculum is delivered, enabling them to follow their passions and discover their powers.

## Partnership

We will involve you, listen to you and communicate openly and honestly with you so that we become your trusted partners in ensuring your child reaches their full potential.

## Healthy Routines

During their day at Canopy, your child will sit down with other children for freshly prepared organic meals and snacks, relax in a quiet, comfortable environment to rest/sleep and will learn new ways to challenge their physical development.

## Fees

Fees are fully inclusive of meals, drinks and snacks. We ask parents to supply nappies and formula/breast milk only.

## Early Education Funding

We are able to offer funded places for children from 9 months to 4 years subject to eligibility criteria. There is a service fee for our premium offering of extended opening hours, high quality meals and snacks together with extra curricular activities.

## Security

The safety and security of your child is always our number one priority and is rigorously enforced via state-of-the art security systems.

## Inclusivity

At Canopy we pride ourselves on being fully inclusive and actively celebrate diversity. We are experienced at providing personalised routines for children with specialist needs. We always start with the child, get to know them and help them feel settled and comfortable and then we work with parents/carers and external advisors to create an individual plan to help your child thrive.

**‘Play is the highest expression of human development in childhood for it alone is the free expression of what is in a child’s soul’**

# Why Canopy Vine Lodge?

## Our Community:

At Canopy Vine Lodge, we believe we are more than just a nursery — we are a nurturing community where children and families grow together. We're proud to offer **The Cocoon**, a calming sensory room that supports emotional wellbeing, communication, and creativity through music, and quiet reflection. **The Hive**, our Dining Room and Home Economics space, invites children to explore food and nutrition in the **Canopy Cook**, sessions and independence through hands-on experiences that build confidence and essential life skills. **The Hub** is a warm and welcoming space for parents and carers to connect and take part in educational and support sessions. Once a month, our **Canopy Café** brings families together for a friendly coffee morning and conversation. Sustainability is at the heart of what we do. Our **Gardening Club** encourages children to plant, nurture, and harvest their own fruits and vegetables —fostering a lifelong love and respect for the natural world.

## Fresh, Organic Meals & Snacks:

Canopy Vine Lodge has a dedicated chef developing menus which will best suit your children to enjoy nutritious and diverse foods and flavours.

## Flexibility:

We understand the many challenges facing today's parents as they juggle demands on their time. We offer flexible sessions to suit each families' individual needs.

## Health & Wellbeing:

Time spent in nature is so beneficial for young children and we promote outdoor learning and encourage children to be active and engaged with their friends outside. At the same time, quiet, comfortable areas are available so children can take time out if they wish.

## Natural Environment:

The natural environment extends inside the nursery as plants and natural resources abound to maintain the fresh, calm atmosphere of a wooded glade. Canopy Vine Lodge has a thoughtfully designed outdoor play space with dedicated areas for gross motor skills, exploratory play through mud kitchens and sand pits, and covered play areas for creativity

## Communication & Technology:

Whether you wish to know what your child has eaten, see what they have achieved, ask us a question or find out about the next nursery event, our nursery app enables us to communicate easily and effectively with each other.

# Our People:

At the heart of Canopy Vine Lodge is a passionate leadership team devoted to shaping exceptional early childhood experiences. Each member brings unique strengths, creativity, and a shared vision for nurturing inspiring, nature-led environments where children can truly thrive.

We want to recreate those ‘Old School’ childhoods that we remember; a combination of influencing children’s interests through The Canopy Code which views young children as Curious Explorers, Confident Communicators, Independent Learners and Inquisitive Thinkers. We encourage a love of the outdoors, and have an extensive garden that facilitates this. We understand the importance of creating a nurturing and enriching environment, and we are dedicated to ensuring every child flourishes in our Canopy family.”
